① ASSIGNMENT - 1
    Define a problem statement and give a
brief Executive Summary snapshot

A) Executive Summary
B) Project Description
c) Project Scope

A] Executive Summary
    Analysis :- Bus passengers have to go
the bus stand and wait for the bus. It takes
a lot of time. And that bus is going to go
somewhere one has to go to this bus depot
and roam around. It takes a lot of time.

    Finding :- The solution is to file on appli-
cation. This will include where the bus is going.
let's create a map in it application. In it,
let's say the bus schedule is set. By making
this app. passengers won't have to wait too
long. and it will save your time.

Project Description :-
    Don't waste time and increase bus
passengers. This app will be used by the maxi-
mum number of people in the day. For example
This app will be more beneficial for college
students, employed people, and oldest people
in the future. and there won't be much noise
in the stands. The passengers has increased.

passengers should not be made to wait at the bus Stand for long. Therefore, there is a greater need for this application.

Project Scope :- Ensuring maximum Utilization of this application in the future. It will set the map of the host. You can watch live where this bus is going.
